NOTICE TO RESUME WATER USE

Re: Water Right No. 85-4194

Dear Water Right Holder:

On June 10, 2010 the Department approved your Application for Extension of Time to Avoid Forfeiture for water right no. 85-4194. One condition of the approval was that diversion and use of this water must resume on or before August 18, 2015. Failure to resume use of the water and to notify the Department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Idaho Code § 42-222(4)(d) requires the Department to send this notice, by certified mail, sixty days before the date water use must resume. Enclosed are the Resumption of Use forms. Please use these forms to notify the Department of your resumption of use of the water right. Complete the forms and return them to my attention at the above address.

I do note that water right 85-4194 was accepted in to the Water Supply Bank (WSB) with a lease term of December 11, 2009 through August 18, 2015. However, the law is not clear whether other defenses to a forfeiture, such as enrollment in the WSB, exempt a water user from the requirement to resume use.

If you have any questions regarding this matter, please contact me at (208) 287-4881.

Sincerely,

For- Sandra Thiel

Sr. Water Rights Agent
