Conditions of Approval:

1. 016 See remarks for additional conditions of approval.
2. 001 A measuring device of a type approved by the Department shall be permanently installed and maintained as part of the diverting works.
3. The well under this permit shall not be pumped more than 70 days during the above period of use in any one year.
4. 01R When notified by the Department, the right holder shall install and maintain a measuring device of a type acceptable to the Department as part of the diverting works.
5. 01H Prior to diversion of water under this right, the right holder shall install a lockable device, subject to the approval of the Department, in a manner that will provide the watermaster suitable control of the diversion.
6. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 13.
