Re: Water Rights Change of Ownership (35-7959A, 35-7960A and 35-7960B)

Dear Water Resource Agent:

Please find attached a notice of water right ownership change for water rights 35-7959A, 35-7960A and 35-7960B with Power County instrument #207308 conveying the land and water rights from Calvin and Harriet Dyer to Monty and Carolene Funk. It appears that domestic water right 35-12086 will remain unchanged associated with the exception parcel within the E1/2 of Section 22 while the three irrigation water rights will change ownership in their entirety.

If you have any questions or need any additional information to allow processing, please don't hesitate to contact me.

Thanks,

Jason C. Helms, P.E.
