RE: Notice of Security Interest in a Water Right 35-8195A, 35-13894, 35-7878, 35-13720, 35-13722, 35-2481 & 35-7996

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note the department could not add a security interest to water 35-7996, it is not appurtenant to the ground listed on the legal description and according to the records filed with the department that water right is currently owned by Lynn Kendell. You are entitled to a \$25.00 refund and it will arrive from the state office in couple of weeks.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
