Re: Change of Ownership for Water Right (No). 63-28765 / Intent to Void Permit 63-33668

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

The ownership change was placed in the names of the two names listed on the warranty deed that you submitted. Christie's name was listed as Christie A Jensen and not Christie Loman. If you would like to change her name on the water right, you will need to submit proof of a name change. There is not an additional fee for a name change.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Unless you supply information by **June 30, 2015** demonstrating that you have developed an increment of beneficial use of water under Permit 63-33668 over and above your existing water right decree 63-28765 of domestic use and up to ½ acre of irrigation, I will take action to void your permit as mentioned in the Intent to Void Permit Notice on June 1, 2015. **If you are no longer interested in your permit, you can shorten the voiding process by signing and returning the enclosed relinquishment form.**

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4933.

Sincerely,

Steven Visosky
Water Resource Agent
