RE: Change in Ownership Water Right No. 34-386G, 34-387G, 34-800C, 34-2406H & 34-12367

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the information on file with the department the water rights listed above are currently in the name of Waneta Dickerson and Andrew Dickerson. In order for the department to complete your application, a deed releasing Andrew Dickerson's interest will be required.

**** **Filing Fee:** The filing fee for an ownership change not requiring a split is \$25.00 per water right. The department received a check for \$25.00, however there are 5 water rights listed on the application. The filing fee for 5 water rights is \$125.00 ($5 \times \$25.00 = \$125.00$). Please submit the additional \$100.00 for the department to complete your application.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
