RE: LEASE APPLICATION FEE REQUEST TO LEASE WATER RIGHT NO(S). 29-7196 TO THE WATER SUPPLY BANK

*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant:

The Department of Water Resources (Department) received your application(s) to lease water right(s) 29-7196 to the Bank on January 27, 2015 without the required application fees.

Without the lease fee your application(s) is considered incomplete and cannot be processed. **Please submit the \$250.00 lease application fee within 10 days, sign the enclosed lease application and provide a map outline of the specific location where irrigated acres will be dried up.** If you don't have a detailed map you can create one using IDWR's online general mapping tool <http://maps.idwr.idaho.gov/mapall/>

Once the application fee is received, your application(s) will be reviewed. If the right(s) is determined to be eligible for acceptance into the Bank, the right will be entered as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available from the Department's web site, <http://www.idwr.idaho.gov>.

Please contact me if you have any questions at (208) 287-4910.

Sincerely,

Clay Webster
