Re: Transfer Evaluation

Transfer No. 80069 for water right 34-10708 proposes to correct the place of use and update the ownership of the right.

Authority to file:

The water right is currently in the name of Robert and Barbara Alber. The applicant provided a chain of title documenting the transfer of the property to Craig Burtenshaw and Shawna Rosenkrance.

Validity of the Water Right:

Water right 34-10708 was decreed on December 14, 2001. Aerial photography shows consistent irrigation. Forfeiture does not appear to be an issue.

Injury to Other Water Rights:

No injury to other water rights was identified. An ESPA analysis was not conducted since the point of diversion is not being changed. The application was not advertised. The water master for WD34 was notified of the transfer and did not oppose the transfer.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issues identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this transfer application.
