

MEMORANDUM

Date: May 18, 2015
To: Transfer 80056
From: Cooper Fritz
Re: Review & Evaluation of Sufficiency of Information

This transfer updates the POU of five rights to reflect their current use. It creates a combined POU, and acknowledges the installation of a pivot. The rights involved are 34-163, 34-294C, 34-2379A, 34-2379B, and 34-10219.

Authority to File:

The applicants, Deborah and Mojanet Broadie, have the authority to file. The applicants are the owners of the water rights, according to the department's database. Broadie Ranches Inc. or Mojanet Broadie owns all of the land from and onto which the water rights' acres will be moved, according to Butte County's Tax Assessor. Deborah Broadie is the Secretary and Mojanet Broadie is a registered agent for Broadie Ranches Inc. according the Idaho Secretary of State's website.

Water Right Validity:

The water rights are valid. They were decreed in 2002. Review of post-decree aerial photography indicates consistent post-decree irrigation.

Injury to Other Water Rights:

No other water rights will be injured as a result of this transfer. The watermaster was notified of the tranfer and did not oppose it.

Enlargement of Use:

No enlargement of use will result from this transfer. The transfer does not authorize any additional rate, volume, or irrigated acres.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
