Darla,

As per our phone conversation today, 6/2/15, you have received my email version as well as the original signed version of the "Statement of Completion" as required for Permit # 37-22814 for the Cooper Family Gift Trust. As the appropriately completed forms are now in your possession, the completion of the Proof of Beneficial Use will now move forward as per IDWR standard ways and means.

If this is not the case, please contact me at your earliest convenience to inform me of any additional requirements.

Thank You,

Nick

Dear Mr. Gilman

In my deficiency letter to the permit holder I stated that I was returning the proof form that the permit holder filed in order for it to be completed. I do need the original completed form back in hand for processing. The Department requires the original signed version. It looks like it has been completed by filling in item no. 6 of the form.

Sincerely,

Hello, Nick called during office day and asked about the status of 37-22814 and what else was needed. I found that the fee had been paid and according to the letter all that remained was an answer to question 6. Is that correct? According to your process, will the attachment be sufficient for submitting proof?

Sandy,

Thank you for your prompt response and thorough explanation.

As per our conversation I have attached a completed "Statement of Completion" for the Cooper Residence Permit # 37-22814. Please note the completion of Items' # 6-9. In addition, you informed me that the required payment of \$50 has already been made by the Coopers and that the "Signature of permit holder" is on file. It is my understanding that the information you now have in your possession completes the "Statement of Completion For Submitting Proof of Beneficial Use" for Permit # 37-22814.

If there are any discrepancies, or additional information required, please let me know as soon as possible and I will reconcile them immediately.

Thanks again for your time and let me know if anything else needs to be addressed.

Best,

Nick
