To: Transfer 80074
From: Heather Bohac
Re: Review & Evaluation of Sufficiency of Information

This transfer proposes to adjust the place of use for water right 31-12048. The owner had previously filed transfer 79819 and would now like to move his remaining acres irrigated from ground water under a new pivot that he has installed.

Authority to File:

Lloyd & Jewel Barzee are the current owners of water right 31-12048. There is no name connector on the water right. The Bank of Commerce is listed as a security interest on the water right and is aware of the changes being made to the water right. A formal comment was not solicited since this transfer adjusts acres associated with the same property.

Water Right Validity:

Water right 31-12048 was decreed on 2/22/2002. 2013 aerial photography shows land to be irrigated.

Injury to Other Water Rights:

WD 110 watermaster comment requested. Watermaster does not oppose this transfer.
