RE: WSB Lease Status Inquiry

Yesterday I received an inquiry from Jim Speck of Speck & Aanestad about the lease status of these two water rights. I checked the status of these rights and their parent right 34-2387. I found no indications that these rights were ever leased into the WSB.

Jim,

I found no record of these rights being leased to the Boards Water Supply Bank.

Clay,

Can you tell me if either of these two water rights have been leased to the Water Supply Bank since they were decreed in December 2014? Thank you.

Jim
