Hi, Bri,

Please publish the enclosed legal notice on the dates indicated, June 3 and 10, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This is a long one, and if possible, I hope it can all fit in one **2-column** format. It should be really close to press ready – Utopia font, 8.5 pt. Please ask layout/set-up people to note the **USE** sections in each application with dates and water amounts offset and lined up. Our legal should reflect that format.

I do request a proof/preview copy before this goes to press, especially due to the size of this one.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 6/22/2015. Your cooperation is very greatly appreciated. I'm trusting this is sufficient lead, especially with the time element.

It's a pleasure working with you – you are very helpful, and always see that our legals look super.

Thanks, and I hope you can enjoy a marvelous long weekend.
