Hi, Chip:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right applications. A copy of each of the applications is attached for your reference.

These will be prepared for publication in the *Shoshone News Press* on June 4 and 11, 2015, with June 22, 2015 as final date for protests to be received in our office.

Your prompt response to this request is appreciated. If your agency desires to formally protest the approval of either of these applications, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact Adam Frederick in this office if you have any questions regarding the application.

Thank you,

Dianne Ball

Application For Permit No. 92-11025

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the SHOSHONE NEWS PRESS on 6/4/2015 and 6/11/2015. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Adam Frederick

Hi, Jamee,

Please publish the enclosed legal notice on the dates indicated, June 4 and 11, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready for 2-column, 8pt, Century Old Style font. Please ask those actually doing layout/setup to note the **USE** sections with dates and water amount that are offset and lined up. We need the legal to reflect that format.

Please send me a proof/preview copy for my review before this actually goes to press.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 6/22/2015. Your cooperation is greatly appreciated.

If you have any questions, please call me or reply to this e-mail.

It's always a pleasure to work with you. Thanks for all you do to help our legals look so professional.
