COVENANTS, CONDITIONS AND RESTRICTIONS

1. **LAND USE:** All of the subject parcels in the existing property shall be used and occupied solely as single family residential/farm and ranch or for recreational purposes . No parcel shall be split, divided or subdivided into a smaller parcel than indicated on the original parcel map for a period of five (5) years from the date of initial sale of this development (Oct. 1, 2003). Any divisions shall be with the approval of the Camas County Planning and Zoning Commission and County Commissioners. Each parcel and any additional parcels created in the future shall be restricted to one single family residence, a guest home, an attached or detached garage and two more accessory outbuildings. The Sellers and Seller's agents make no representation as to the future development potential, if any, of Rancho Cielo and the parcels contained therein.
2. **BUILDING LOCATION:** No building shall be located on any parcel nearer than 50 feet to any interior side, rear or front lot lines, said distances measured at the closest point of said structure to said lot line. No building will be located closer than 200 feet of Fricke Creek. No structure shall violate the Camas County Ordinance regarding "sky lining".
3. **BUILDING SIZE:** No primary dwelling shall be erected or placed on any building site of less than 1495 square feet (exclusive of one story open porches, terraces and garages). Any structures having in excess of two stories will not be allowed.
4. **BUILDING MATERIALS:** All dwellings and accessory buildings shall be site built. All dwellings and accessory buildings shall be constructed of log, wood, natural stone, stucco or other approved building material. Mobile homes, manufactured homes, domed and Quonset style structures of any nature will not be allowed. Cement block will be permitted if covered with an approved exterior finish material. Colored metal and composition shingle roofing will be the only types allowed. All building materials and colors will be subject to approval of the Architectural Control Committee.
5. **WORK PROSECUTION:** The construction of all dwellings shall be prosecuted diligently and continuously from the time of commencement thereof, and the exterior shall be completed within twelve months after date of commencement of construction unless specifically authorized by Grantor.
6. **ANIMALS:** Horses, cows and all other livestock shall be confined to the owners parcel at all times. Dogs and other pets shall not create a nuisance.
7. **FENCES:** It will be the individual parcel owner's responsibility to fence out livestock belonging to others and the livestock owners assume no responsibility for damage done by livestock not adequately fenced out. It is not a requirement of the parcel owner to fence their property if they have no livestock. It will be the responsibility of the parcel owner to maintain any existing perimeter fences located on their property.

X _____

8. EXCAVATION: No excavation for stone, gravel, earth or minerals shall be made upon a parcel unless such excavation is necessary for the construction of a building thereon in accordance with plans approved by the Architectural Control Committee. No property shall be used for the purpose of mining, quarrying, drilling, boring or exploring for, or removing oil, gas, or other hydrocarbons, minerals, rocks, stones, gravel or earth. The provisions of this subparagraph (8) shall not apply to Grantors.

9. TEMPORARY STRUCTURES: No structure of a temporary character, trailer, tent, shack, garage, shed or other temporary outbuilding of this kind shall be allowed, except that a trailer, fifth wheel, camper or motor home may be used for recreational purposes for a period of two weeks per calendar year or during construction of a dwelling for a period of time not to exceed twelve months.

10. SEWAGE DISPOSAL: Drainage from any septic tank shall be kept within the building limits of each building site. Approval for a septic system shall be obtained from the South Central District Health Department located in Hailey, Idaho. No waste material shall be permitted to enter into any streams and all sanitary facilities must conform with the requirements of Camas County and the State of Idaho. No drain system or other disposal system shall be allowed nearer than 200 feet to a stream and shall not, in any way, contribute to the pollution of said stream.

11. REFUSE AND DUMPING: No parcel or building site shall be used as a dumping ground for rubbish. Trash, garbage or other waste materials shall be deposited only in sanitary containers which meet the requirements of the sanitation ordinances and regulations of Camas County and the State of Idaho health authorities. No "burn barrels" for burning of household garbage will be allowed.

12. PUBLIC UTILITY EASEMENTS: Grantor reserves the right to convey and /or dedicate rights of way and easements for public utilities and /or another communication cables over a ten foot wide strip of land within and along all side and rear lot lines of each and every parcel in the ranch development. This right shall run with the land for the time herein provided and as may be extended.

13. ROADS: All roads within the development are private, not public, roadways; intended for the use and convenience of property owners and grantors. The maintenance and snow removal of the roadway will be the responsibility of the property owners in Rancho Cielo and it is understood that Camas County Road and Bridge is in no way responsible for said maintenance and snow removal. The jeep trail is not a road as defined herein. In as much as grantors own additional property situated behind this development, all roads herein shall constitute a general easement for the use and benefit of grantors, their successors and assigns.

14. HOMEOWNERS ASSOCIATION: Nothing herein prevents the respective parcel owners from organizing a Homeowners Association to deal with roads, easements, maintenance or any other legitimate common issues.

15. NUISANCES: No noxious or offensive trade or activity shall be carried on upon any parcel, nor shall anything be done thereon which may be or become an annoyance or a nuisance to the neighboring parcel owners. No broken down machinery, broken down cars or material commonly designated as "junk" shall be maintained on any parcel unless fully enclosed by a permanent building. Land must be kept "neat" in appearance and all noxious weeds controlled.

16. CODES: No building shall be constructed upon any parcel unless it is constructed in compliance with the State and County building codes of Idaho and approval of the Camas County Building Inspection Department.

17. WATER RIGHTS: It is understood by the parcel owners that there are no surface water rights from Fricke Creek being transferred to new parcel owners by sellers. There may be various spring rights transferred to those owners who purchase parcels with filed spring rights. No parcel owner shall obstruct or divert the natural flow of any stream or drainage located within the development.

18. COUNTY ORDINANCES: In the event there is or becomes a conflict between any provision of these Declarations and any ordinances duly established by the board of County Commissioners of Camas County, Idaho, the more restrictive document shall prevail.

19. LOT GRADING: All dwellings shall be built on lots minimizing disruption of existing plant and animal life, grading and site preparation to be kept to a minimum.

20. APPROVAL OF CONSTRUCTION PLANS: No building or other structure shall be erected or placed or altered on any parcel until the construction plans, specifications and the plot plan showing the location of the structure on the parcel, have been approved by the Architectural Committee as to quality of workmanship and materials and location with respect to topography. The Architectural Committee shall be composed of Michael Jessen, John Whitney and Ed Smith providing that any vacancy of said committee, caused by death, resignation or disability shall be filled by the remaining members of said committee or their successors in interest in the real property.

The committee's approval or disapproval as required in these covenants shall be in writing. The committee shall respond to an application within 15 days or sooner of receiving said application.

21. VIOLATION OF COVENANTS: If the parties hereto, or any of them or their heirs, or assigns, shall violate or attempt to violate any of the covenants herein; it shall be lawful for any other person or persons owning any real property situated in said development to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenants or to prevent him or them from so doing or to recover damages or other dues for such violating or for either both remedies.

proceeding at law or in equity against the person or persons violating or attempting to violate any such covenants or to prevent him or them from so doing or to recover damages or other dues for such violating or for either both remedies.

22. ENFORCEMENTS: Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain or to recover damages.

23. SEVERABILITY: Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in force and effect.

24. TERM: These protective restrictions and covenants shall run with the land described herein and shall be binding upon the Grantees and all successors in title or interest to said property or any part thereof, until July 15, 2018, at which time said protective restrictions and covenants shall be automatically extended for successive periods of ten (10) years, unless the owner or owners of the legal title to not less than two thirds (2/3) of the parcels, by an instrument in writing, duly signed and acknowledged by them, shall then terminate or amend said protective restrictions and covenants, and such termination or amendment shall become effective only upon the filing of such instrument for the record in the office of the Camas County Recorder.

IN WITNESS WHEREOF, This Declaration of Covenants, Conditions and Restrictions is executed as of the date first above written.

RE: Application For Permit No.(s): 37-22952, 37-22953, 37-22954

Dear Mr. Kramer:

A copy of the above referenced application is enclosed. Please review the application, then complete the enclosed recommendation form as necessary, and return it to this office within 21 days of the date of this letter.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR's regional offices can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Sincerely,

Denise Maline
