RE: RP56N05W119025A

Under the provisions of Title 13, Bonner County Revised Code, your parcel has been assigned the following physical address:

2227 Highway 57, Priest River, ID 83856

Please review this address for your property and write it down for future reference. This address may be utilized for mail delivery if allowed by the US Postal Service.

You must post the address in full on your mailbox. Your home or business should also have your new numbers displayed (BCRC §13-460). If a structure is not visible from the road, the numbers should be posted at the beginning of your driveway no more than six feet (6') above the ground and mounted on a support structure not exceeding the standards listed in Section 8 of the "Road Standards Manual" (Title 2, BCRC) published by the Bonner County Public Works Department. You may access the road standards on the Bonner County Website at the following address:

<http://www.co.bonner.id.us/publicworks/roadandbridges.html>.

All primary letters, numbers, and symbols should be a minimum of three and one-half inches (3 ½") in height, with a one-half inch (1/2") stroke, and should contrast with the background color. Posting of addresses should be done within four (4) months of issuance of the address (BCRC §13-201(C)). Bonner County shall not be liable for any damage to the address sign and support structure. Bonner County shall not be liable for any damage caused by the installation of the address sign and support structure. This will greatly assist emergency services in locating your property.

APPROVED
ON-SITE SEWAGE SITE EVALUATION REPORT

This Site Evaluation is valid for one year from the issue date, providing site characteristics are not altered. You must submit an approved site plan, pay for and receive a septic permit prior to installation of a septic system. If you have questions about this evaluation please contact the issuing Environmental Health Specialist. Reference: State of Idaho's Individual/Subsurface Sewage Disposal Rules (IDAPA 58.01.03).

Site Application # 12-09-126636

Issue Date: Nov. 9, 2012

Parcel# RP56N05W119025A

Subdivision Name: Block #: Lot #:

Township 56N, Range 05W, Section 11,

Acreage: 5

Location:

Site Characteristics:

Soil Type:	B-2
Loading Rate:	0.45

Conditions: This site has been Approved for a Sewage Disposal System.

- This is Not a Permit. This site has an approved area for a drainfield, which is on the benched area near Testhole 1. The system should be installed in such a way as to allow room for both the drainfield & replacement area. Much of the site is steep slope. The septic tank will be required to be at least 50 ft from the river. Prior to issuance of a septic permit, the applicant must submit documentation verifying that the county has granted permission to cross the highway with an effluent line. The soil is a B-2 and a 3-bedroom home will require 556 sq ft of drainfield.

Dear Chip and Mike:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right applications. A copy of each of the applications is attached for your reference.

These are being prepared for publication in the Priest River Times on June 3 and 10, 2015 with June 22, 2015 as final date for protests to be received in our office.

Your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact Adam Frederick in this office if you have any questions regarding any of these applications.

Sincerely,

Dianne Ball

COPY

Application For Permit No. 97-7522

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the PRIEST RIVER TIMES on 6/3/2015 and 6/10/2015. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Adam Frederick

Attachments: LegalNotice 05-27-15 PRT 96-9564, 997-7522, 7523, 7524.doc

Good afternoon, Shannon,

Please publish the enclosed legal notice on the dates indicated, June 3 and 10, 2015 (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

Please send a proof/preview copy for my review before this actually goes to press. This should be very close to press/ready for 2-column, 8 pt, Century Old Style font. It might even be close enough for copy and paste.

Please also ask the person(s) doing layout/setup to note the sections under **USE**, with the dates and water amounts that are offset and lined up. Our legal should appear in this format, as submitted.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 6/22/2015. Your cooperation is greatly appreciated.

Thanks for your participation in helping our legals to publish so professionally. It's always a pleasure to work with you.
