**Re: Bryce W. Crane – Transfer Application Re: WR 11-7047
Three Mile Creek Irrigation Company – Transfer Re: WR 11-4208**

Dear Blake:

Enclosed please find the following for filing and processing:

1. Original and two extra copies of Application for Transfer submitted for Bryce Crane re: water right 11-7047;
2. Original and two extra copies of Application for Transfer submitted for Three Mile Creek Irrigation Company re: water right 11-4208;
3. Check for filing fees in the amount of \$605.00 for the Crane transfer;
4. Check for filing fees in the amount of \$200.00 for the Three Mile Creek Irrigation Co. transfer; and
5. Stamped and addressed return envelopes to me and to Bryce Crane.

Please file and process the original Transfer Applications and conform stamp the extra copies of each, returning one to me and one to Bryce Crane in the stamped and addressed envelopes.

Attachment 1 to each Transfer Application is a Narrative Description. In sum, Crane has entered into a Purchase and Sale Agreement to purchase all of the groundwater right 11-7047 and move 77 acres of the place of use to a new 120 acre pivot proposed to be constructed on his land. The Seller will retain 52 acres of the original place of use which will continue to be irrigated by the primary surface right available under Maple Canyon Creek Water Assn. water right no. 11-4087.

The remaining 43 acres to be irrigated under the new 120 acre pivot will be supplied by changing the place of use of water right 11-4208 owned by Three Mile Creek Irrigation Company.

Your prompt review and processing of these Transfer Applications would be appreciated as Mr. Crane is anxious to get them approved so he can install the pivot for the upcoming irrigation system to begin irrigation.

We have attempted to compile these two Transfer Applications in a manner to provide for the full 120 acre irrigation needs under the new pivot without any expansion of the existing irrigated acres under the two rights. I certainly would be receptive of any suggestion you may have to accomplish these objectives in a manner that you may feel more suitable.

Thank you for your cooperation and assistance.

Sincerely,

RANDALL C. BUDGE
