Dear Scott,

Enclosed is the Statement of Completion for Permit #75-14781, for my property at 33 Wagon Wheel Road, Salmon, ID 83467. Also enclosed is Check #4927 in the amount of \$50.00 for the Fees.

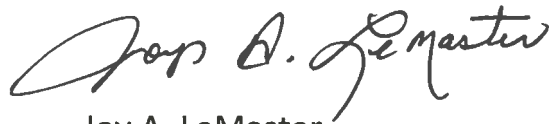

In addition, I have enclosed a copy of the email that Robert Price, Permit #75-14776 sent, dated April 9, 2015. The photo of the diversion on the corner of Demick Lane and US Hwy 93, and the photo of the culvert which runs under US Hwy 93 conveying water to all permit holders in the Lovers Lane, Wagon Wheel Road area, showing the lockable diversion and potential for measuring flow, pertains also to my property at 33 Wagon Wheel Road, Salmon, ID 83467, Permit #75-14781.

I irrigate with tarps and have had an additional ditch dug along my property fence line for better water flow in the pasture.

Please forward this information to the appropriate people in Boise.

Thank you for all of your assistance this past year. If you have any questions, please contact me at 208-993-1096 or by email: joy1jewels@yahoo.com.

Thanks again!
