

MEMORANDUM

Date: May 7, 2015
To: Transfer 80053
From: Cooper Fritz
Re: Review & Evaluation of Sufficiency of Information

This transfer rearranges the POU for right 35-2427 to reflect current usage.

Authority to File:

The applicant, Kim Wolfley, has the authority to file.
The applicant is the owner of the water right according the department's database.
The applicant owns the property from and onto which the acres are being rearranged.

Water Right Validity:

The water right is valid. It was decreed in 2002. Review of post-decree aerial photography indicates consistent irrigation.

Injury to Other Water Rights:

No other rights will be injured as a result of this transfer. The transfer simply serves to reflect changes in the water right's usage that have already occurred.

Enlargement of Use:

No enlargement of use will occur from the transfer's approval.
The transfer does not authorize any additional rate, volume, or acres irrigated.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.

Re: Legal Notice Not Required

Legal Notice Not Required
5/7/2015

Pursuant to Section 42-222, Idaho Code, the Department has discretion to provide public notice as deemed appropriate. The water right changes proposed through this transfer application do not appear to change the effect on the original or hydraulically connected water source or affect other water rights. Therefore, staff review of the transfer application found no cause to require public notice. This application will continue processing without advertisement and be forwarded for approval consideration.
