RE: Change in Ownership Water Right No. 22-629, 22-638, 22-11246, 31-10139 and 31-87

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership or Additional Filing Fee (for split water right):** Water rights 22-629, 22-11246, 31-10139 and 31-87 appear to be ok to data enter. There is a question about whether water right number 22-638 will require a split of the water right. Please review the map attached the parcel in question is in the W1/2 W1/2 NW NE Section 35 Township 7 North Range 40 East. If you do own that parcel please supply a deed indicating your ownership in the property (taxlot data shows the current owner as K & J Holdings LLC) if you do not own that parcel the water right will have to split and an additional filing fee is required. The filing fee for a split ownership change is \$100.00, you have already paid \$25.00 so an additional \$75.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
