RE: Security Interest Water Right No. 35-2070, 35-7048, 35-7109 & 35-11909

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Security Interest:** copy of 'recorded' Deed of Trust, Mortgage, Contract of Sale or other legal document indicating your interest in the property and water rights in question. The department did receive a copy of a Mortgage, however it is not a copy of the recorded Mortgage. Please supply a copy of the Mortgage with the recorder stamp on it.

Also please note the current owner of the water rights listed on your application is not Dean and Janet Evans. In order for the department to change the ownership a Notice of Change in Water Right Ownership Form, evidence of ownership and filing fee is required.

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
