Subject: Conversation with Reva Tobias

Jeff,

This is to document for the file that I spoke on the phone today with Reva Tobias about Application 57-11840 (Hipwell). Mrs. Tobias called in response to the voicemail I left her over a week ago. Her phone number is 208-477-7089.

Mrs. Tobias has received your April 8, 2015, letter, and she understands that she will have to respond in writing within the 14-day deadline you set. She understands her options to be either to agree to the proposed one-year rental, monitoring, and replacement plan or to be prepared to go to hearing relatively soon. She indicated that she would weigh the options and respond to you, likely both by phone and in writing.
