

Memo to File 75-14490

Date: 04-14-2015

From: Pam Skaggs 

I talked to Roger Warner regarding the details of this lapsed permit today. The statutorily required notices were sent to the authorized permit holders at the Wyoming address identified by the post office after the initial notice was returned. The submission of proof of beneficial use form was submitted to the department by the new permit holders after the lapse date.

Roger will work with the Smiths to reinstate the permit through the steps described in the 03-09-2015 proof deficiency letter from Darla Block.

Pam,

I need to visit about this water right. Will you have some time today or the next couple of days?
