NOTICE TO RESUME WATER USE

Re: Water Right Nos. 45-13788 & 45-14061

Dear Water right owners:

On March 16, 2010 the Idaho Department of Water Resource (IDWR) approved an Application for Extension of Time to Avoid Forfeiture for water right nos. 45-13788 & 45-14061. On April 16, 2010 IDWR approved a transfer that changed to place of use and added a point of diversion to these rights. A second transfer was approved on December 9, 2011. This transfer added points of diversion to the two water rights. On November 29, 2012 IDWR approved a change of ownership to you of these water rights.

One condition of the approval was that diversion and use of this water must resume on or before July 1, 2015. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Idaho Code § 42-222(4)(d) requires the Department to send this notice, by certified mail, sixty days prior to the date water use must resume. Enclosed are the Resumption of Use forms for your use to notify the department of your resumption of use of the water right. Please complete the forms and return them to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4881.

Sincerely,

Sandra Thiel
