ADDITIONAL CONDITIONS OF ACCEPTANCE

1. The water rights referenced above will be rented from the bank at the current rental rate.
2. There is no rental payment to the lessor of the water right if the right or a part thereof is not rented from the bank.
3. While a right is in the bank, the lessor may not use the right without approval of the Department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B.
4. A right accepted into the bank stays in the bank until the Board releases it, the lease term expires, or upon request from the lessor to change the term of the lease, provided the Board approves the release. Unless approved by the Department, leased rights may not be immediately available for release.

5. While a water right is in the bank, forfeiture provisions are stayed.
6. Rental of water under this right is subject to the limitations and conditions of approval of the water right.
7. Failure of the right holder to comply with the conditions of acceptance is cause for the Director to rescind acceptance of the lease.
8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code §§ 42-248 and 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season.
 - b. If a change in ownership is processed by the Department during a rental season, rental payment will be made to the person or entity who is the lessor of record at the beginning of that rental season.
 - c. New lessor(s) of record will receive payment after the following rental season.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.

2. DESCRIPTION OF WATER RIGHT OFFERED TO THE BANK

Water Right Number 35-7005 ☒ The full water right is being offered to the Bank.

OR

☐ A part of the water right is being offered to the Bank.

(If a portion of a water right is being offered, complete Attachment 2)

3. GENERAL INFORMATION

- A. Please provide a description of the current water diversion system.

Land has two wells (points of diversion), a main line, two pumps, and a combination of pivots, wheel lines, and hand lines.

- B. Describe any other water rights used for the same purpose at the same place of use as the water right being offered to the Bank.

Water Rights Nos. 35-7648 and 35-2491 have the exact same purpose and place of use.

- C. Are any of the water rights identified in question 3B stacked with the water right proposed for lease? Yes ☒ No ☐

Stacked water rights are water rights that are utilized together to achieve a common beneficial use, such as irrigation of the same lands. Stacked water rights cannot be separated and must be jointly leased to the Water Supply Bank. Stacked water rights qualify for the multiple fee payment of \$500.

D. Will the present place of use continue to receive water from any other source?

Yes ☐ No ☒

If yes, describe. _____

E. Has any portion of this water right undergone a period of five or more consecutive years of non-use?

Yes ☐ No ☒

If yes, describe and attach Watermaster records or other evidence to demonstrate that the water right has not been lost through abandonment or forfeiture pursuant to Section 42-222(2), Idaho Code. _____

F. Is this water right involved in any other IDWR process such as an application for transfer or a mitigation plan? Yes ☐ No ☒

If yes, describe. _____

4. MAP

Plat map, survey map, or aerial photograph clearly showing the specific acres proposed to be idled by this lease application.

5. SALE/LEASE AGREEMENT

A. Is the water right, or portion thereof, offered to the Idaho Water Resource Board (IWRB) for sale ☐ or lease ☒.

If lease, specify the years when the use of water will be suspended: 2015 to 2020 (maximum lease period 5 years).
(Year) (Year)

B. Show the minimum payment acceptable to the seller/lessor. The minimum payment may be shown as the "current rental rate" as established by the IWRB. Include the method of determining the minimum payment if other than the current rental rate.

Current rental rates. _____

I hereby assert that the information contained in this application is true to the best of my knowledge, and that I have the authorities necessary to offer this water right for sale or lease to the Idaho Water Resource Board.

The Designated Applicant acknowledges the following:

1. Payment to the Designated Applicant is contingent upon the sale or rental of the water right from the Bank.
2. While a water right is in the Bank, the seller/lessor of the water right may not use the water right even if the water right is not rented from the Bank.
3. A water right accepted into the Bank stays in the Bank until the Designated Applicant receives written confirmation from the Board or Water Supply Bank that the water right has been released from the Bank.
4. While a water right is in the Bank, forfeiture provisions are stayed.
5. Acceptance of a water right into the Bank does not, in itself, confirm the validity of the water right or any elements of the water right.
