Re: Settlement for Protested Water Right Application 87-10081

Dear Mr. Walser:

As per the Settlement Agreement between the Latah County Board of County Commissioners and Adam Reed I have enclosed a draft permit that should include all of the elements agreed upon by both parties.

Please review the draft and if it meets with your approval let me know in writing within the next 30 days. Condition #4 limits the annual volume to 3.0 acre-feet for the irrigation of 10 acres of land my means of a drip irrigation system.

If you have any questions, don't hesitate to contact me at this office. I can be reached at 208-762-2800 or email keith.franklin@idwr.idaho.gov.

Thank you.

Sincerely,

Keith E Franklin
Program Manager, Northern Region
