Director Spackman,

The Latah County Board of Commissioners has signed a Settlement Agreement (enclosed) with Mr. Adam Reed regarding water right application number 87-10081. So long as the water right is issued with the limitations specified within this settlement agreement, Latah County will withdraw their protest. We appreciate the opportunity to comment on this application and the opportunity to discuss the project with the applicant.

Thank you for your time.

Sincerely,

Richard Walser
Chair
