Department of Water Resources
Eastern Region

04 March 2015

The Samaria Water and Irrigation Company is offering as exhibits two charts, labeled, "Total number of shares delivered per year" and "Weekly Delivery", attached. For the hearing tentatively scheduled for the 13th of March 2015 (prior date was 24 March 2015) in the matter of application for permit No. 15-7369 in the name of Dale W. Price.

Any or all board members may testify.

The company would like to mention that it has counseled with Rocky Mountain Environmental to design a measuring device to measure the output of the Warm Springs. This device was installed in the spring of 2014 and data collection is ongoing.

Sincerely,

David Reel
President, Samaria Water and Irrigation Co.
