RE: Change in Ownership Water Right No. [11-218A & 11-219A](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** As per our phone conversation on January 6, 2015 the department will require additional evidence of ownership for the ownership change received. A full chain of title back to George Thornock. Please note it does appear that water right numbers 11-218A and 11-219A may require a split. The filing fee for a split water right is \$100.00 per water right. The department has already received \$25.00 for each so an additional \$150.00 would be required. Please find a map attached a map of the place of use of water rights 11-218A and 11-219A for your review.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
