Dear Idaho Department of Water Resources,

Samaria Water and Irrigation Company has received your letter stating that permit No. 15-7393 has amended the application for permit. The new POD is approximately 3.07 miles from our springs. The initial application was within 3 miles of our springs.

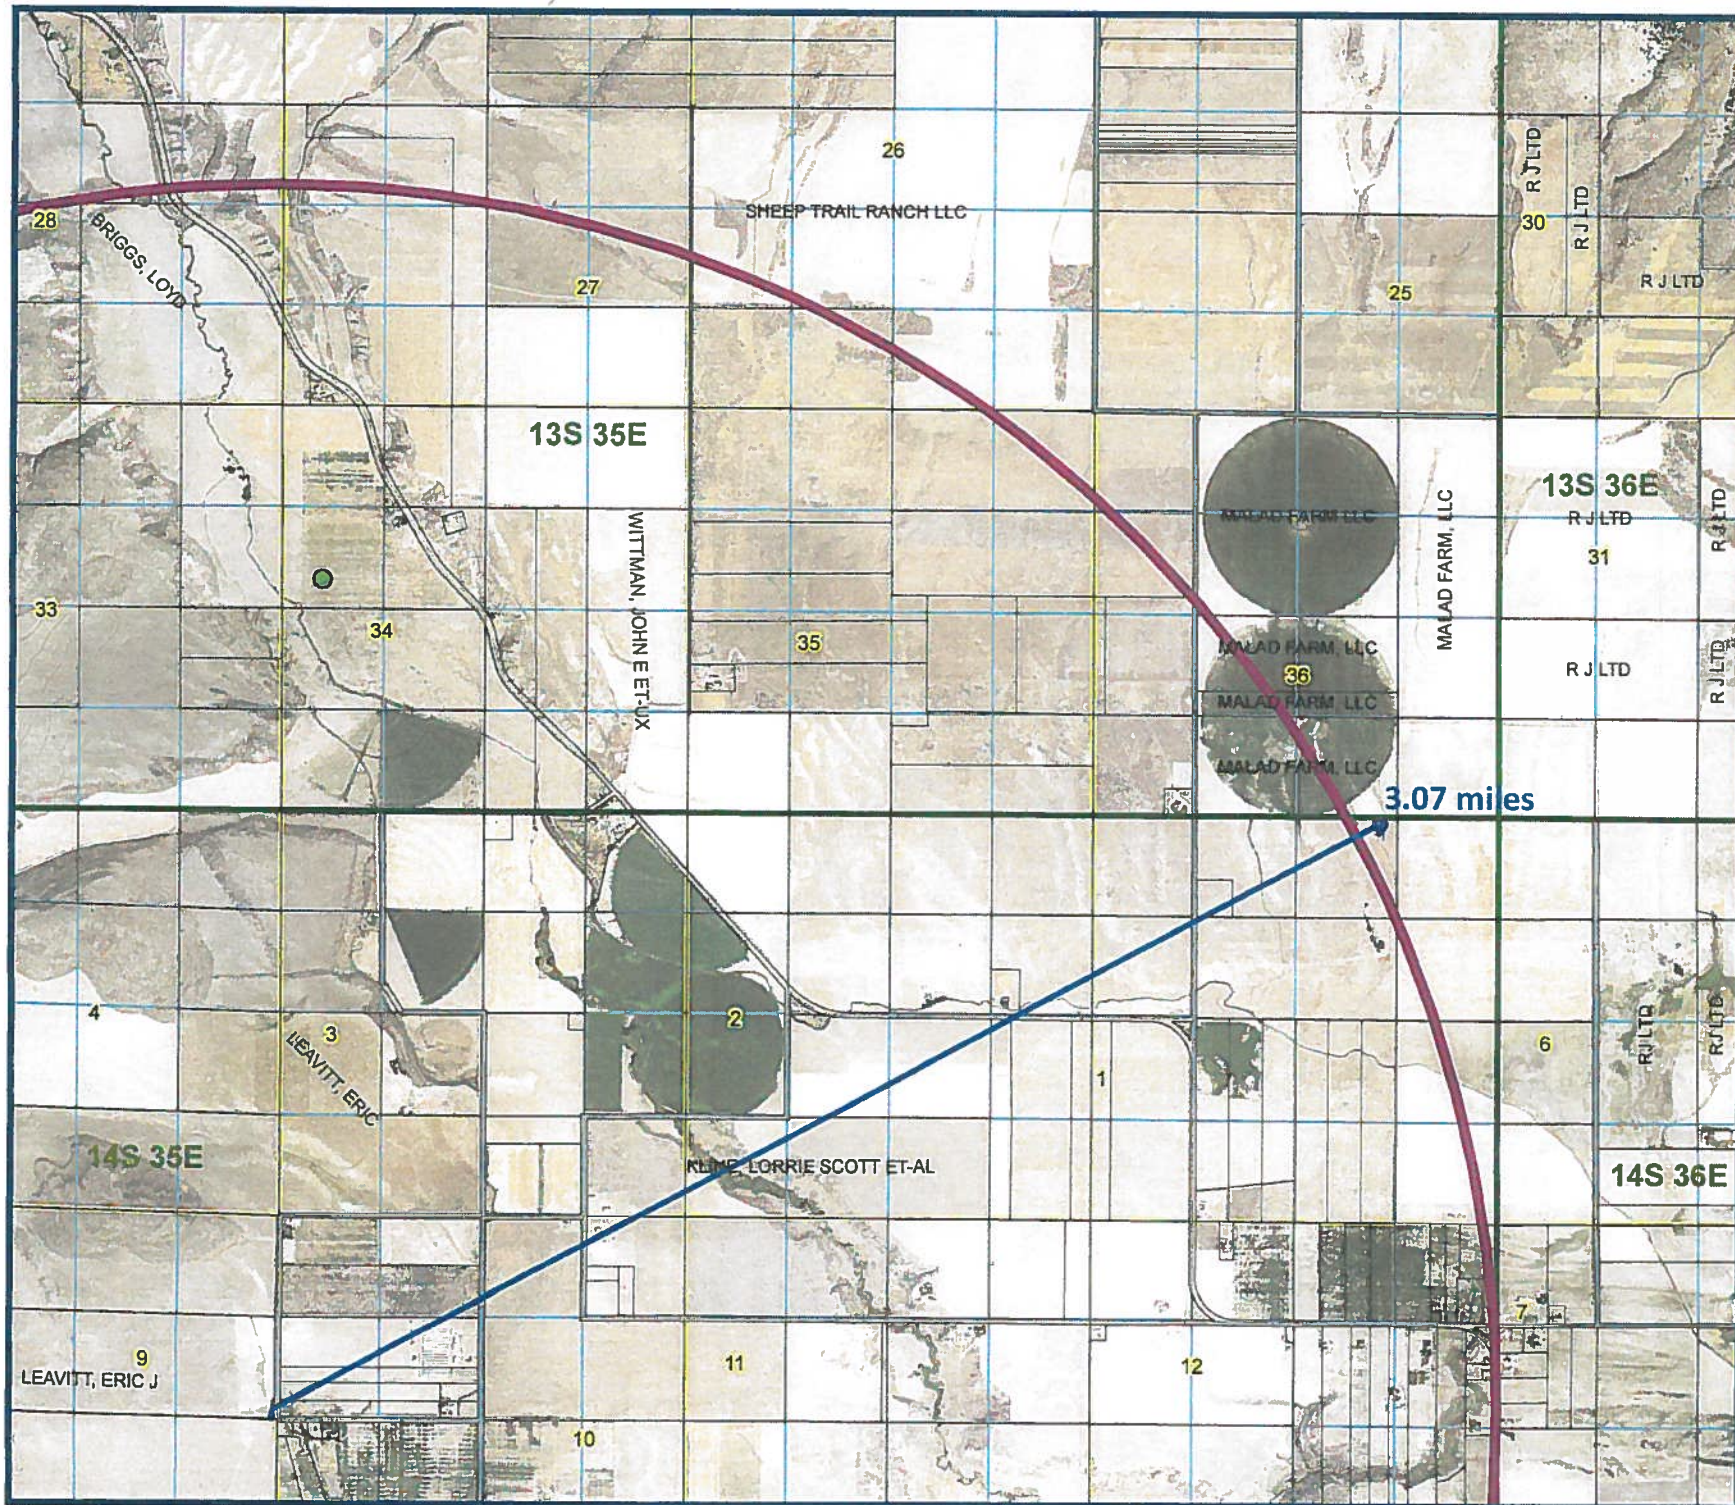

We have discussed the new POD with the applicant and are withdrawing our protest based on the POD be within the 10 acre parcel that is outside of the 3 mile radius from Samaria Water and Irrigation Company's springs. (See attached map)

Thank you,
