PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 63-12443

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and examination fee submitted for the above referenced permit. Enclosed is an order reinstating the permit advancing the priority since proof was submitted after the proof due date. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. During my review of your proof, I see that TFI Limited Partnership should be the permit holder on record with the department. Therefore, I am enclosing an Assignment of Permit form to change the name of the permit holder. Please file this completed form with any office of the department along with the \$25 fee, for the department's records to be updated.

If you have questions concerning the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190.

Sincerely,

Deborah J. Gibson
