Dear Applicants,

The Department of Water Resources acknowledges receipt of your Notice of Security Interest in a Water Right. However, the application has not been processed.

On January 16, 2015, a letter was sent requesting further documentation in order to change the interest for the above referenced water rights. I have included a copy of the letter for reference. As of April 10, 2015, the Department has not received the requested documentation.

The following was either not submitted with the notice or needs some clarification.

- Submit a recorded Security Mortgage Agreement
- Water Right no. 63-46880 (A63-046880 on application) is not a valid Water Right number. Please verify the correct Water Right number to be submitted.

Because the Department cannot process this request at this time, we are returning the application and all attachments. You may submit the forms with the required documentation and fees at any time.

Should you have questions, please call this office at 208-334-2190.

Sincerely,

for Rachel Sommer
