RE: Water Right 37-577BP Eccles Flying Hat Ranch

Dear Erick,

Our office is in receipt of your March 26th, 2015, letter requesting redefining water right 37-577BP along with the "Hiawatha Canal Seepage Evaluation" report dated March 20, 2015.

I have discussed with IDWR Administration and legal counsel the request to modify water right 37-577BP solely based on the information provided in the letter and the report. I have been advised that the letter and report alone are not sufficient to make the requested change to the water right. To change or transfer the water right will require filing a formal transfer application pursuant to Section 42-222 of the Idaho Code.

If you have any questions please feel free to contact this office.

Sincerely,

Allen Merritt, PE
Southern Region Manager
