

MEMORANDUM

DATE: March 17, 2015

TO: Water Right File 25-14165

FROM: Shelley W. Keen *SWK*

RE: Possible request for extension of time to submit proof

Today I received an inquiry about the possibility of another extension of time to submit proof of beneficial use for Permit 25-14165. I explained that under the provisions of Idaho Code § 42-204(4) another five-year extension could be sought if the proposed development covers 100 acres or more. The caller indicated that he would likely file the extension request.
