Hi Teena,

This email is in regards to a water right transfer that you and Marc are currently filing. Due to the water right ownership both you and Marc need to sign the first page of the transfer. I have attached the transfer application for your review. All we need on our end is an email stating you have reviewed the transfer and are authorizing us to go ahead with the transfer. No need to print out a copy of the transfer to sign, we just need some sort of approval from you.

If you have any questions or concerns please feel free to contact either myself or Cooper Fritz. Both he and I have been working on your transfer so we would be the ones you would want to contact.

Thanks,

Steve Bosworth
