*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant:

The Department of Water Resources (Department) received your application(s) to lease water right(s) 61-2154, 61-2155, 61-7005, 61-7396, 61-7119 and 61-010378 to the Bank on February 26, 2015. The lease applications that were submitted were effective in 2013, our lease applications were revised as of January 2015; a copy of this new lease application form is included for your convenience. **Please submit new lease applications within 14 days.** Without the current lease application(s) forms your application is considered incomplete and will not be processed.

Once the application is received, your application(s) will be reviewed. If the right(s) is determined to be eligible for acceptance into the Bank, the right will be entered as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available from the Department's web site, <http://www.idwr.idaho.gov>.

Please contact me if you have any questions at (208) 287-4910.

Sincerely,

for Clay Webster
