Re: Change of Ownership for Water Right/Permit No(s): 75-4196, 75-10539, 75-10540 and 75-10541

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

After further review, it was determined that water right 75-10540 did not need to be divided. A refund of \$75 will be issued to you and arriving under separate cover from the Idaho State Controller's Office. The Department apologizes for any inconvenience this may have caused.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience. If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Dear Jean,

This is the section I talked to you over the phone about.

As you look at your map the bold black line is the Rainbow Ditch Company. The only time water reaches this canal is in the winter time then it has a course that it returns to the river.

Henrys Creek also has a period that it runs dry. During the summer months. We have been working on this with IDWR since fall of 2014.

Please give me a call at 208-256-4821 cell-208-993-0131.

I called you this afternoon concerning this.

Thank You

RE: Ownership Change Water Right: 75-4196, 75-10539, 75-15040 and 75-10541

Dear Property Owner:

The Department of Water Resources acknowledges receipt of your request for a Notice of Change of Water Right Ownership on the above mentioned water rights. In reviewing the information provided to us, it was determined that this will be a division of water right 75-10540 and additional fees will be required. Enclosed you will find a map with the water right outlined in blue and your property, according to the warranty deeds you provided, is colored yellow. You are entitled to 6 acres of irrigation in Township 20N, Range 21E, Section 24, SWNE.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The Department has determined that the filing fee for your notice will be an additional **\$75**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please contact me at 208-287-4942 if you have any questions.

Sincerely,
