PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-16654

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Based on the maximum diversion rate of 0.06 cfs from ground water allowed under this permit, the license examination fee for this water right is only \$50.00. Therefore, I will initiate the process to refund the extra \$50.00 that was submitted. Camp Mivoden c/o Bruce Christiansen should receive a State of Idaho check for \$50.00 within ten (10) business days under separate cover.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office.

If you have any questions concerning the field examination, please contact the Northern Regional Office of the Department in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
Technical Records Specialist
