Extension of Time to Avoid Forfeiture

Redstone Partners LP, 1188 Eagle Vista Ct, Reno NV 89511 filed an Application for Extension of Time to Avoid Forfeiture of a Water Right for a portion of water right 37-483B, with a 1902 priority from the Big Wood River in the amount of 62.32 cfs, for 988.9 acres. It is unknown when the last time the water was used because the property has been fully irrigated by utilizing senior overlapping surface water and supplemental ground water rights delivered through sprinklers. The right is located about 3.5 miles southeast of Bellevue along the Gannett Road. The extension of time is requested because the District 45 canal lacks sufficient capacity to distribute the flows to fill the junior-most rights for various reasons. The applicant proposes to resume use at the beginning of the 2019 irrigation season.

For additional information concerning the property location and details of this application please contact the Southern Region office at 208-736-3033 or research at idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRAJSearch.aspx for documents provided under water right number 37-483B. Protests may be submitted based on the criteria of Sec42-222, Idaho Code. Any protest against the application must be filed with the Director, IDWR Southern Region, 650 Addison Ave West Ste 500, Twin Falls, ID 83301 (or any Department office), together with a protest fee of \$25 for each application on or before September 8, 2014.
