PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-11136

Dear Permit Holder(s):

On February 3, 2015, the Department of Water Resources' Northern Regional Office accepted your statement of completion for submitting proof of beneficial use (proof) and a license examination fee of \$50.00 for the above referenced permit.

The Departments' State Office was not aware that the proof or the fee had been submitted, and inadvertently issued a lapse notice for this permit on February 5, 2015. Your proof of beneficial use due date of February 1, 2015, landed on a weekend, therefore, you were allowed an additional 2 days from your proof due date to file your proof. The Department considered your proof filed timely on February 3, 2015, and has restored your permit to active status in the water rights database.

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department.

Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Northern Regional Office of the Department in Coeur d'Alene, Idaho at 208-762-2800.

Sincerely,

Darla Block
Technical Records Specialist
