Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

Water Right numbers 35-14381 and 35-14382

**** **Evidence of Ownership:** The department received a copy of a special warranty deed for water rights from Idaho Water Co to Monty and Carolene Funk, however the deed is not a copy of the recorded Deed. Please supply a copy of the deed with the recorder stamp on it.

Water rights 35-14046, 35-14052 and 35-14280

**** **Evidence of Ownership:** The department received a copy of a special warranty deed for water rights from Idaho Water Co to County Line Farms, however the deed is not a copy of the recorded Deed and according to the ownership change application the ownership change should be going into Monty and Carolene Funk. Please submit an updated change of ownership application for County Line Farms or a deed going into Monty and Carolene Farms also please supply a copy of the deed with the recorder stamp on it.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
