Re: Application for Transfer for Water Right No. 11-4022 and
Amended Water Management Plan for Sam's Hollow Water Company

Dear Agent,

Enclosed please find an Application for Transfer for Fish Haven Water Users Company in compliance with the conditions of approval for Permit No. 11-7796. The transfer proposes to add mitigation as a nature of use for the water right portion attributed to Sam's Hollow Water Company's shares.

Also find enclosed an Amended Water Management and Operations Plan for Mitigation for Water Right Nos. 11-7491, 11-7641, 11-7718, 11-7719, and 11-7796. These water rights provide commercial and domestic water for Sam's Hollow Water Company and Canyon Estates Property Owners Association to serve their respective subdivisions. The amended plan was necessary to include the additional development approved under Permit No. 11-7796 on February 19, 2015 and the portions of Fish Haven Water Users Company that are proposed to be changed to mitigation via the attached transfer application.

Please contact me with any questions.

Thank you,

Kristin Moore
Water Rights Analyst
