RE: Notice of Security Interest in a Water Right 34-781, 34-782, 34-299, 34-10762, 34-259E, 34-738D, 34-7184, 34-783, 34-14231, 34-7210A, 34-13818, 34-17A, 34-2397A

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Water right number 34-93 is not a valid water right. Water right number 34-14231 is Joel Andersen portion of that water right. The department has initiated a \$25.00 refund for water right number 34-93 and it should arrive from the state office in a couple of weeks.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg

Lorna,

Good morning!!

I have a refund request as follows:

Receipt number: E040706
Amount: \$25.00
Payable to: Western AgCredit
10980 S Jordan Gateway
PO Box 95850
South Jordan UT 84095-0850

Reason: Total filing fee received \$350.00 for security interest for 14 water right. One of the water rights is not a valid number so the security interest cannot be added therefore a partial refund is required.

Let me know if you need additional information.

Thank you so much for your time. Let me know if you have any questions.

Have a great day!!!
