

BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO

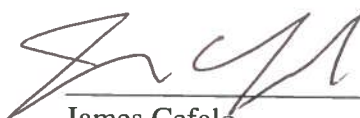

IN THE MATTER OF APPLICATION	)	
FOR PERMIT NO. 74-16008	)	ORDER VACATING
<u>IN THE NAME OF LYNN HERBST</u>	)	LEGAL BRIEFING

On November 24, 2014, the Idaho Department of Water Resources ("Department") issued an Order Setting Deadlines for Legal Briefing in the above referenced matter. The hearing officer asked the parties to file briefs addressing a legal question relating to the separate streams provision for Basin 74. The deadlines set in the order were advanced multiple times to allow the parties to continue settlement discussions. The settlement discussions have been productive and settlement between the applicant and some of the protestants seems likely. Rather than continue to extend the briefing deadlines, it is appropriate to vacate the order requesting legal briefing. If legal briefing would be helpful in the future, a new schedule will be established under a separate order.

ORDER

IT IS HEREBY ORDERED that the legal briefing request established in the November 24, 2014 Order is VACATED.

Dated this 9th day of March, 2015.

Water Resources Program Manager
