Re: Notice of Intent to Void Application for Permit No. 47-17503

Dear Applicant(s):

Our office is currently reviewing dated applications that have been filed with our agency. This letter serves as a follow-up regarding the status of the above referenced application.

In February, 2009, John and Elvira Cardozo filed the above referenced application for permit. The intended use was for domestic purposes for two (2) homes. This application was protested in March, 2009 by DuWayne Kimball of Buhl, Idaho. At that time, letters were sent to all parties involved, acknowledging receipt of the protest. This letter included resolution options in which the parties could review and take measures to resolve the protest issues. To date, our agency has not received a response from any of the parties involved.

In October, 2014 this application was assigned to you from the Cardozo's; therefore this letter serves as a request regarding your intentions for further processing of this application. Please convey to this office, your intentions regarding this application, (*in writing*), by April 6, 2015. If no response is received, the department will begin the process of voiding this application. A withdrawal form is also enclosed, should you desire to withdraw the application. Copies of the application, protest, and letters previously sent to the parties are also enclosed for your reference.

Please feel free to contact our office at (208) 736-3033 if you have any questions.

Sincerely,

Allen Merritt
Southern Region Manager
