Dear Interested Party(s):

The Idaho Department of Water Resources received your request for a Notice of Change in Water Right Ownership on September 29, 2014. During the initial review, it was determine additional conveyance documents are needed to complete this request. Only one of the warranty deeds you provided conveyed the property to Double T Farms, LLC. The real estate purchase and sale agreement needs to match the warranty deed. Conveyance documents need to be signed, notarized and recorded with the county.

Also, water right 32-7166 is still an application that is being held due to a moratorium. An Assignment of Application for Permit is needed for this water right. The water is in the name of David Stelzer and Thomas Stelzer. I have enclosed an assignment for your convenience.

You can mail the documents to the address above, email it to: jean.hersley@idwr.idaho.gov or fax to (208) 287-6700, Attn: Jean. The original Assignment of Application for Permit needs to be sent to the Eastern Region Office in Idaho Falls.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your request unprocessed.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

Jean Hersley
