Subject: Change of Ownership

RE: Change in Ownership Water Right No. [75-10162](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

****** Evidence of Ownership:** The department received 2 ownership changes for water right 75-10162 one going into Carole Beth Geordge in 2002 and one going into James D and Denise A Wilson deed recorded in 2015.

In order for the department to complete the ownership change for Carole Beth George the department will require a copy of the recorded Warranty Deed. The copy received with the application is not recorded.

In order for the department to complete the ownership change for James and Denise Wilson a full chain of title will be required. We need a copy of the recorded deed from Carole Beth George to Carole Beth Geordge and Marlen Erlandson (acquired title as Marlene Goerdge). The department has a copy of the deed from Carole Beth and Marlen Erlandson (acquired title as Marlene Goerdge) to James D Wilson and Denise Wilson.

Please note it appears that the ownership change going into Carol Beth Geordge is not required and the department would just need a full chain of title for the Wilson application. Then a \$25.00 refund could be issued. If you decide to have the department return the Carole Beth George application the department will just need a copy of the recorded deed to Carole Beth George and a copy of the recorded deed to Carole Beth and Marlen Erlandson (acquired title as Marlene Goerdge). Then notification requesting the other ownership change be returned.

The department did attempt to call the phone number listed on the application 208-756-8444, but it said the number has been disconnected. If we do not hear a response to this email. I will send a letter via USPS.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
