Re: Permit 65-23338

Attached is our Statement of Completion for the above referenced permit. Our well was drilled in October 2009. The Library was completed early in 2011 and we moved into the Library and opened the doors February 21, 2011.

Attached are copies of our water reports from February 2011 to present. As of November 30, 2014 we had pumped 242,566 gallons. Our highest monthly usage was in September 2013, at 939.7 gallon per day.

The \$50.00 license exam fee is enclosed.

If you have any questions contact me at the phone number or e-mail address on the Statement of Completion.

Respectfully submitted,
