RE: Notice of Change in Water Right Ownership form

Mr. Wade,

It was a pleasure to speak with you today.

I have enclosed the forms and the instructions for completing it. I have also enclosed a copy of the Snake River Basin Adjudication (SRBA) decree of right 25-10230.

Water right 25-10230 is within the jurisdiction of our Eastern Region office. Therefore, they would prefer to process the Notice of Change in Water Right Ownership form for this right. You will need to submit the form and its attachments, including a check for the required fee, to the Eastern Region office before IDWR can change ownership of the water right to you. The address is on the last page of the instructions.

The water right appears to be for domestic use in 2 homes. In our phone conversations, we did not discuss whether you owned both homes. So you will need to clarify that with whomever is assigned to process the form.

Please feel free to contact either this office at 208-287-4800 or IDWR's Eastern Region office in Idaho Falls, Idaho at 208-525-7161, if you have any questions.

Sincerely,

Michele Edl
