Dear Mary,

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application is attached for your reference.

This is being prepared for publication in the Coeur d'Alene Press on March 5 and 12, 2015 with March 23 as final date for protests to be received in our office.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact Adam Frederick in this office if you have any questions regarding the application.

Sincerely,

Dianne Ball

Application For Permit No. 95-16979

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 3/5/2015 and 3/12/2015. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Adam Frederick

Hi, Chantell,

This is the legal we discussed earlier this morning:

Please publish the attached legal notice on the dates indicated, March 5 and 12, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready, *maybe* just "copy and paste" for 2-column, Century Old Style font, 8pt – with only minor modifications being necessary.

Please ask the person(s) doing layout/formatting to especially notice the sections listed as **USE** in each of the referenced applications, especially the second one for this legal, where the dates and amounts should appear as submitted. Here is an excerpt from the legal notice showing how it should look in the Press specifically for that USE section about half way down in the legal notice. The CFS (cubic feet per second) are offset a little different from the AF (acre feet) for clarification and making it more easily understood by the general public.

Use: DIVERSION to Storage	01/01 to 12/31	0.2 CFS
Use: FIRE PROTECTION Storage	01/01 to 12/31	4 AF
Use: IRRIGATION from Storage	03/15 to 11/15	15 AF
Use: IRRIGATION Storage	01/01 to 12/31	19 AF
Use: RECREATION Storage	01/01 to 12/31	4 AF
Use: STOCKWATER Storage	01/01 to 12/31	4.2 AF
Use: WILDLIFE Storage	01/01 to 12/31	4 AF
Total Diversion:		0.2 CFS

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 3/23/2015. Your cooperation and assistance are always greatly appreciated.

You are so helpful and I appreciate working with you. You help make our legals look very professional. Thanks.
